Address: 157/8, Sarsuna Talpukur Road, Pin-Sarsuna , Kolkata-700061

I prioritize a look through of problems from multiple angles in my approach to problem solving in order to provide solid solutions. To promote a common understanding and cooperative improvement of these solutions, I also stress the significance of transparent communication. I am a collaborative team player who takes initiative and seizes from learning possibilities. I am always keen to take on unique projects and have a positive impact on a work environment through volunteering. I am a future asset for any role within the company.
